HISTORIC DISTRICT COMMISSION
Jaffrey, New Hampshire

December 31, 1973

To the Board of Selectmen:

The Historic District Commission began the year with some doubts as to the legality of its makeup. Through the good efforts of our Moderator, this problem was cleared up and the terms of office of the members was clarified. Dr. Hamilton was elected as Chairman. The other officers remained the same.

Projects brought before us for approval included an addition to the home of Timothy Green, a sun-deck for Norman Torrey, and interior and exterior changes and drainage ditches at the home of Donald Mitchell (former Evans home). Two fences were also discussed. One, at the Marean home is to be removed and replaced with a split-rail fence and rose bushes planted. The other on Thorndyke Pond Road, was removed without notifying the Commission. At this writing we are unable to determine what future action is contemplated by the owner.

Respectfully submitted,

/s/ Frederick S. Richardson

REPORT OF THE PLANNING BOARD

For the year ending December 31, 1973

The main activity of the Board in 1973 was to write and implement subdivision regulations. It took the first six months to draft the regulations using State Guide Lines.

In late June and early July we had our two public hearings on the regulations the Board proposed. After making appropriate changes following the open meetings, the final draft was written and the regulations were implemented on Sept. 1, 1973.

Henceforth, any subdivisions of land requires the approval of the Jaffrey Planning Board. The subdivisions regulations are available at the Jaffrey Town Office. Since Sept. 1, 1973 three subdivision plans have been approved by the Planning Board and are on file with the Register of Deeds, Cheshire County.

The Jaffrey Planning Board holds an open meeting every second Monday of the month at 8:00 P.M. at the Jaffrey Town Offices.
